

## HUERTA READY TO LET GO OF JOB

Stated Authoritatively That  
Representatives to Peace  
Conference Have Authority  
to Tender His Resignation

### REBELS DECLARE IT WILL NOT STOP WAR

Promptly Announce that Pres-  
ent Campaign is Not Only  
Against Huerta but Against  
all His Party.

(By Leased Wire to Evening Herald.)  
Washington, May 18.—General  
Huerta has authorized the Mex-  
ican mediation delegates to sub-  
mit his resignation, in case such  
a course is found necessary to a  
settlement in peace negotiations.  
This was stated positively in dis-  
patches today from a thoroughly  
competent diplomatic source in  
Mexico City, to one of the foreign  
representatives here, and confirms  
intimations given by friends of  
the delegates here yesterday.

According to this information from  
Mexico City, General Huerta at first  
authorized the delegates to discuss  
only the question of the Tampico  
conflict, leading to the American  
occupation of Vera Cruz. Later the  
Mexican dictator, it is explained, came  
to realize the necessity of a broader  
settlement and then conveyed to the  
delegates assurance that he was pre-  
pared to step down should this course  
be found necessary by them.

The problem causing chief concern  
to diplomats in Mexico City now is  
that of the form of administration to  
be established during the interregnum  
before a constitutionally elected pres-  
ident could assume office. No intima-  
tions concerning the name of a poss-  
ible successor to Huerta were con-  
tained in the dispatch, this subject  
being one in which it would be nec-  
essary to consult the constitutionalists  
and other leaders in Mexico.

Supreme Court Justice Lamar and  
Frederick W. Lehmann who will rep-  
resent the United States at the peace  
conference at Niagara Falls today ar-  
rived at Washington at 9  
o'clock tomorrow morning.

This arrangement will put the  
American delegates at the scene of  
the conference about the time the  
Mexican delegates arrive there from  
New York.

The information of Huerta's atti-  
tude agrees with the view obtained  
by some of the close friends of the  
Mexicans during their stop here. Ac-  
cording to this view the delegates re-  
sented the present administration at  
Mexico City was fast going to pieces  
and it was inevitable that Huerta  
would have to give up his position  
to some other authority. It did  
not, however, disclose that Huerta  
has authorized his resignation, if they  
considered that course necessary and  
this more definite phase was first  
made known in the dispatch through  
diplomatic channels.

Who will come after Huerta, whether  
an individual or a provisional com-  
mission still is an open question but  
it is gathered the succession will not  
be likely to fall on military leaders  
who have come to prominence by "ar-  
bitrary force."

"The Huerta delegates never will  
agree to the selection for provisional  
president of any of the constitutional-  
ist military men," said a man who  
had a long talk with the Huerta rep-  
resentatives here yesterday.

"They want some one, however, for  
provisional president, who will guar-  
antee a fair election of all parties con-  
cerned and who has not been a mil-  
itary partisan."

This view coincided with that ob-  
tained from other persons who had  
informal talks with the Huerta dele-  
gates here. The three Mexicans did  
not divulge the nature of their long  
conference with Huerta before their  
departure.

### NEWS OF WITHDRAWAL EXCITES NO ENTHUSIASM

El Paso, Tex., May 18.—The news  
that General Huerta has authorized  
his delegates to the conference with  
the South American mediators to pre-  
sent his resignation should that act be  
necessary to restore peace, was not  
received with enthusiasm by con-  
stitutionalists here.

The news was given to General  
Carranza who is on his way today  
from Sonora, Zacatecas, to Dur-  
ango and officials here requested that  
the first chief would make a state-  
ment outlining his attitude toward the  
situation as developed in Washington  
today. It is possible that General  
Carranza will not receive the news  
until late in the afternoon of his arrival  
at Durango is uncertain.

Constitutionalist officials here ex-  
pressed decided opinions that the  
resignation of Huerta would not com-  
pose the situation. They have asserted  
many times that their plans con-  
templated not only the elimination of  
Huerta but also of his party. Any  
compromise which would not entirely  
eliminate the "cientificos" from poli-  
tics said Rafael Marquez, son-in-law  
of General Carranza, and constitu-  
tionalist counsel here, would simply  
mean another revolution. "Another  
Huerta would spring up and the strug-  
gle would continue," he said.

"Constitutionalist officials declined  
to express themselves as to the intima-  
tion by the Huerta delegates that  
Luis Cabrera would be acceptable to  
the Huerta element as provisional  
president after the resignation of  
Huerta. They declare that so far as  
they know, Senor Cabrera had not  
been considered by them as a possible  
provisional president.

They said that the constitutional-  
ists had agreed upon General Car-  
ranza as provisional president and that  
General Carranza himself would not  
be allowed to decline that place with-  
out the approval of the leaders, es-  
pecially the generals of the army.  
They pointed out that Senor Cabrera,  
while a man of eminent mind, and thor-  
oughly identified with the constitu-  
tionalist movement was little known  
nationally to the military leaders of  
the constitutionalists.

General Avila before his departure  
spoke of the cordial relations which  
had existed between himself and the  
American authorities at El Paso, and  
he said, had done all possible to fac-  
ilitate his work.

### ARGENTINE MINISTER FIRST TO ARRIVE AT CONFERENCE

Niagara Falls, Ont., May 18.—With  
the arrival here today of Remulo  
Nazon, Argentine minister, the first  
of the South American mediators to  
reach the scene where they will for-  
mally open their conference Wednes-  
day, the effort to compose the Mex-  
ican situation made a real start.

James P. Mee, of the Brazilian con-  
sulate in New York, also arrived to-  
day. Among others here are Mr. Mor-  
sini, secretary to the Brazilian am-  
bassador and Senor Alvaro B. de Tar-  
rearos, former charge d'affaires of  
Mexico at Washington.

### THREE MEN TO RESUME CHARGE OF LOBOZ LIGHT

Washington, May 18.—The Braz-  
ilian minister in Mexico City informed  
the state department today that the  
Mexican department of communica-  
tions had appointed three men to re-  
sume charge of the Loboz Island light,  
now operated by American forces.  
This information was conveyed to the  
Brazilian minister through the Mex-  
ican foreign office.

### AGAIN ASK FATE OF AMERICAN CONSUL SILLMAN

Washington, May 18.—The Braz-  
ilian minister in Mexico City in-  
formed the state department today he  
had renewed his inquiry to the foreign  
office as to the actual release of Am-  
erican Vice Consul John R. Sillman at  
Santillo.

### SON OF DIAZ ARRIVES IN TORONTO TODAY

Toronto, Ont., May 18.—Porfirio  
Diaz, Jr., son of the former presi-  
dent of Mexico, arrived in Toronto  
today in company with Colonel An-  
tonio del Rio, a representative of the  
Mexican constitutionalists.

Pitt said he wrote Becker almost  
constantly after his conviction and  
that Becker wrote to him from the  
death house. After Becker's convic-  
tion and sentencing he said he jour-  
neyed with the party up to the pris-  
on. "I gave Becker a drink on the  
train," said the witness, "and said it  
probably would be his last for some  
time. Becker put his arms around  
me and started to cry."

"Did you," he said, "if I do go off  
in the chair, I want you to do me one  
favor. Kill that sneaking Jack  
Rose."

### PROVES POWERFUL WITNESS FOR STATE

Declares Becker on Way to  
Death House Urged Him to  
Promise to Kill "that  
Sneaker Jack Rose"

(By Leased Wire to Evening Herald.)  
New York, May 18.—The state  
rested this afternoon at the trial of  
Charles Becker for the murder of  
Herman Rosenthal, after examining  
three witnesses who followed Charles  
B. Pitt, Becker's former press  
agent.

New York, May 18.—Charles B.  
Pitt, one time press agent and ad-  
viser for Charles Becker, on trial for  
the murder of the gambler, Herman  
Rosenthal, took the witness stand for  
the state today and corroborated in  
many details the stories of Jack Rose  
and others that Becker was the insti-  
gator of the murder plot.

After Rosenthal had been murder-  
ed, the witness swore, he met Becker,  
who was indignant at the way the  
killing had been accomplished.

"What is the matter with Jack  
Rose and the bunch," Pitt quoted  
Becker as having said. "To pull the  
gun the way they did was very bad.  
You would suppose it was being done  
for the moving pictures."

On July 15, the day before the  
murder, Pitt said he saw Becker at  
police headquarters.

"Becker told me," said the wit-  
ness, "that he and I had to have an  
alibi for that night. 'Keep away  
from Times square tonight,' he told  
me."

"What's coming off?" I asked.  
"Never mind," said Becker. "Do  
as you are told. We've got to have  
an alibi. Tomorrow you'll know  
why."

Pitt showed signs of nervousness  
during his testimony. The witness  
said he called on Deputy Police Com-  
missioner Dougherty and did the best  
he could to establish an alibi for  
Becker. He saw Becker later, and  
Becker sent him to see Rose, then  
under arrest. He sent in a note to  
Rose with reference to the employ-  
ment of counsel.

Returning to Becker, said the wit-  
ness, he reported that Rose had  
agreed to allow Becker to select his  
lawyer. Becker then dispatched  
Pitt, the witness swore, to Rose's  
house on Long Island.

The next day, Sunday, Pitt assert-  
ed, Becker said: "I wonder if that  
bunch will squeal on me."

"Then Becker told me to see Rose,"  
said Pitt, "and advise him he was  
doing everything he could for him  
and for him to say nothing."

The next time Pitt saw Becker  
was in Tombs prison, after his ar-  
rest.

Becker said, according to Pitt:  
"Didn't I tell you they would squeal?  
I want you to go out and get every-  
thing you can on Jack Rose. Get  
hold of the men in my squad and  
have them testify I had no conversation  
with Mrs. Rosenthal on the  
night of the raid."

## Huerta's Chief Murderer a Fugitive

Dr. Urrutia, Official Chief of  
"Disappearances" Seeks Safe-  
ty in Vera Cruz from Dicta-  
tor's Wrath.

(By Leased Wire to Evening Herald.)  
Vera Cruz, May 18.—Dr. Aur-  
eliano Urrutia who was once  
Provisional President Huerta's  
most trusted confidant in the  
cabinet, and who is minister of  
the interior in popularly chosen  
orders for the disappearance of  
his chief's pallid enemies, ar-  
rived today among the refugees  
of the capital. He had fled from  
the wrath of General Huerta.

## Captain of Seneca Tells Awful Tale of Suffering

Four of Fifteen Men in Colum-  
bia's Boat May Survive—  
Eleven Die of Hunger and  
Exposure.

(By Leased Wire to Evening Herald.)  
Halifax, N. S., May 18.—The United  
States revenue cutter Seneca ar-  
rived here today with four survivors  
of the doomed steamer Columbia,  
who she picked up from their small  
boat forty miles south of Nable Island  
at 1 o'clock yesterday morning.

The condition of the men is serious  
but it is believed they will live.

A wireless message from Captain  
Johnston of the Seneca told concisely  
of the rescue. Little could be learned  
today from the exhausted sailors of  
their experience beyond the fact they  
had been tossed helplessly by the  
sea since May 4th, when fire on the  
Columbia drove them into their  
small boat. There were fifteen men  
in the craft when they left the Col-  
umbian. Eleven died of hunger and  
exposure, and the five emaciated men  
taken aboard the revenue cutter were  
almost unconscious.

The men in the lifeboat had left  
their ship so hurriedly there was no  
opportunity to supplement the life-  
boat's usual store of water and bi-  
scuits. A single cask of water stowed  
in the stern was soon exhausted but  
rain fell and the men suffered less  
from thirst than from hunger. One  
hundred pounds of hard tack fur-  
nished their only food. This was  
used up the first week.

Day after day the men made des-  
perate efforts to attract the attention  
of passing ships. On the first two  
days three steamers were seen and  
directly in the path of trans-Atlantic  
traffic but none saw them.

With hope of rescue fast vanishing  
the men lost their courage. One  
week from the day they left the ship  
the last of the bread crumbs were  
eaten. On that day one of the fifteen  
men died. Some of the men drank  
rain and one of them became  
insane and soon afterward died. One  
by one the men gave up until only  
five remained. Peter Trier died as  
aid was in sight.

## Quartermaster Faces Charge of Stealing

Captain Griffiths Before Court  
Martial for Alleged Embez-  
zlement of \$8,000 and for  
Desertion.

(By Leased Wire to Evening Herald.)  
San Francisco, May 18.—The trial  
of Captain Joseph Griffiths, of the  
army quartermaster corps, before a  
court martial board was begun today  
at the Presidio. Captain Griffiths is  
charged with embezzling \$8,000 of  
government funds, and with desert-  
ion.

Captain Griffiths was to have had  
his trial in Seattle. He was suspended  
summarily from duty March 17 and  
ordered confined to his quarters by  
Major Hugh J. Gallagher, after an ap-  
parent shortage in his accounts had  
been reported. The accused officer  
disappeared April 1, and was arrested  
by Oakland April 29, the day he had  
planned to sail for Australia.

## BATTLESHIP ARKANSAS GETS SPOKANE TROPHY

(By Leased Wire to Evening Herald.)  
Vera Cruz, May 18.—The naval  
gunnery trophy presented by the city  
of Spokane in 1903, was received to-  
day by the battleship Arkansas for  
the work performed by number three  
turret last year, when a world's re-  
cord was established by its twelve-  
inch guns, which fired six shots and  
made six hits in 57 seconds. The  
trophy was displayed in the ward  
room mess, and a dinner in honor  
of the occasion was given, at which  
a number of guests were present.

## MAZATLAN IS READY TO GIVE UP FIGHT

Federal Commander Offers to  
Surrender to Oregon with  
Honors of War. Aeroplane

### RUMORS OF ACTIVITY NEAR VERA CRUZ FALSE

State Department Advised  
Constitutionalist Command-  
er at Tampico Seeks "Volun-  
tary" Cash Contribution.

(By Leased Wire to Evening Herald.)  
Los Angeles, Cal., May 18.—Gen-  
eral Tolles, the federal commander  
at Mazatlan, has offered to surren-  
der the remainder of his troops, provided  
he is accorded the honors of war by  
General Oregon, according to ad-  
vice received today by Adolfo Car-  
rillo, constitutionalist representative  
here. The telegram also informed  
Carrillo that a rebel aeroplane  
wrecked La Pedro fort at Mazatlan  
today, killing twenty men and putting  
all of the artillery there out of com-  
mission.

Further advice said that Carranza  
was on his way back to Torreón, and  
that General Huerta, who captured  
the city of Tepic, was en route to at-  
tack Guadalupe with 15,000 men.

Before starting back to Torreón,  
Carranza went to the state of Zaca-  
tecas to confer with General Natera  
regarding plans for the march to  
Mexico City, which it was stated  
would be started as soon as the con-  
stitutionalists have entered Saitillo.

### DETAILS OF THE CAPTURE OF TEPIC BY REBELS

Juarez, Mex., May 18.—A telegram  
was received by constitutionalist offi-  
cials today from Tepic by way of Acap-  
ulco giving some of the details of  
the capture of Tepic by the constitu-  
tionalists Saturday. The constitu-  
tionalist troops commanded by Gen-  
eral Luis Blanco and General Rafael  
Huerta were forced to fight twenty-  
four hours to take the town and they  
report many casualties. General  
Blanco is called the boy general  
among the constitutionalists. He is  
but 23 years old. Those of the gar-  
rison which had not been killed,  
wounded or captured fled to the south  
and are being pursued by the victor-  
ious constitutionalists.

With this victory the constitu-  
tionalists control the entire territory of  
Tepic and the entire line of the  
Southern Pacific railroad from Nog-  
ales to Tepic is in their hands and  
has been reopened.

On May 11 the constitutionalists  
cut the federal line of communication  
between Colima and Manzanillo, thus  
shutting off the arrival of supplies at  
Guaymas and Mazatlan from the  
supply base of Guadalajara. He is  
the constitutionalists declare this  
move will prevent the arrival of pro-  
visions or ammunition at these ports.

### REBELS ASK VOLUNTARY CONTRIBUTIONS OF FRIENDS

Washington, May 18.—That Gen-  
eral Caballero, constitutionalist com-  
mander at Tampico, had requested  
through the channels of commerce  
there all business firms, Mexican and  
Spanish, to subscribe to a voluntary  
fund for the constitutionalists, was  
reported to the navy department to-  
day by Admiral Mayo.

Circumstances of the request for  
voluntary contributions were de-  
scribed in a statement from the navy  
department.

"It was made clear," said the  
statement, "that this fund was not  
to be in the form of a regular war  
tax. In response to this request Ad-  
miral Mayo reports that considerable  
sums have been contributed by Mex-  
icans and Spaniards in Tampico, but  
that as far as demand has been made  
on other foreign business firms to  
comply with the request."

In response to queries Rear Ad-  
miral Mayo at Tampico has reported  
there was no truth whatsoever in the  
reports that the constitutionalists had  
ordered from the country the mar-  
ines from the Netherlands gunboat  
who were said to have been landed  
for the protection of the Dutch oil  
wells.

### AMERICANS DECLARE RIOTING CONTINUES IN TAMPICO

New York, May 18.—Eleven refu-  
gees from Mexico, four of them from  
Tampico, arrived at New York on the  
Ward line steamship Comagney.

lary governor of the state of Chi-  
huahua, left today for Chihuahua to  
take over the affairs of his office. He  
has been succeeded as jefe de la ar-  
mada of Juarez by Colonel Ornelas.

El Paso, Tex., May 18.—In expecta-  
tion of the reopening of commercial  
activity through Tampico, the constitu-  
tionalist government has been forced  
to establish a consulate at Galveston  
and has appointed Juan P. Burns,  
now in El Paso, its representative  
at that point.

### ADMIRAL HOWARD REPORTS THE FALL OF TEPIC

Washington, May 18.—Admiral  
Howard, on the west coast of Mexico,  
reported to the navy department late  
today. "Reliably informed Tepic cap-  
tured yesterday by Generals Blanco  
and Huerta. San Blas occupied by  
constitutionalists. Pesqueria landed  
400 troops from Guaymas on west  
beach at Mazatlan."

### RUMORED CONCENTRATION OF FEDERAL TROOPS A FAKE

Vera Cruz, May 18.—A rumored  
concentration of Mexican federal  
troops before the American lines in  
the vicinity of Veracruz station, two  
miles out on the Interoceanic railroad,  
failed to materialize into the early  
morning attack which had been pre-  
dicted by natives who entered Vera  
Cruz yesterday.

The night passed without any inci-  
dent at the American outposts and  
no indication was given that General  
Navarrete or General Pena contem-  
plated any violation of the armistice.

From several quarters rumors were  
persistently circulated yesterday con-  
cerning Mexican troop movements in  
the vicinity of the American outpost.  
The American army headquarters  
staff was disinclined to take these  
rumors seriously, but precautions  
were taken to guard against any possi-  
ble night surprise.

Under the general precautionary  
plans drawn up by the headquarters  
staff, the Mexican fleet are held in  
readiness to come ashore at 7 o'clock  
notice in case the garrison should be  
attacked.

### PANAMA REPORTED IN CONTROL OF FEDERALS

Washington, May 18.—Rear Ad-  
miral Mayo in a report to the navy de-  
partment late today, said it was  
rumored about Tampico that the town  
of Panama, the center of important  
oil industries, still was in control of  
the Mexican federal soldiers.

### ANOTHER CROWD OF REFUGEES LEAVE CITY

Washington, May 18.—The Braz-  
ilian minister in Mexico City reported  
today he was completing arrange-  
ments for the departure of 250 Amer-  
ican refugees who will go by train to  
Puerto Mexico where they will take  
ship for the United States.

## Connecticut Will Welcome the Colonel

Plans Outlined for Big Pro-  
gressive Meeting at Hart-  
ford on Return of Roosevelt  
from Madrid

(By Leased Wire to Evening Herald.)  
Hartford, Conn., May 18.—Promi-  
nent men in the Progressive party  
in Connecticut announced today con-  
crete plans for a statewide con-  
ference of the party with Colonel  
Roosevelt as the chief figure. Let-  
ters outlining the conference were  
sent to the colonel while he was in  
Brazil. It is expected that the gather-  
ing can be held here in June, im-  
mediately after Colonel Roosevelt re-  
turns from Madrid.

## Another Blow to Hopes of the Railroads

Expectation of Big Money  
for Alleged Overweight  
Mail Turned Down by Court  
of Claims.

(By Leased Wire to Evening Herald.)  
Washington, May 18.—The court of  
claims today, in a test case decision,  
threw the hopes of mail carrying  
railroads for the collection of large  
sums, based on the claim that the  
government's mail weighing system  
results in underpayment of the roads.  
The court, in an opinion of Chief Jus-  
tice Campbell, dismissed the petition  
of the Chicago and Alton railroad, for  
\$4,500. The railroad contended that  
the average weekly weighing of mail  
allowed compensation for only about  
six-sevenths of the matter really car-  
ried by the railroads.

### Nordica's Body Leaves Batavia.

Batavia, May 18.—The body of Li-  
lian Nordica was shipped today on  
board the steamer Vankloon for  
Singapore, from which port it will  
be taken to the United States.

## TROOPS WILL STAY UNTIL MILITIA IS FINANCED

Colorado Authorities Relieved  
by Assurance From War De-  
partment that Withdrawal  
of Regulars Will not be  
Hurried.

### STRONG REPRESENTATION MADE TO PRESIDENT

Representatives from Colorado  
and Foreign Minister Ask  
that Martial Law be Contin-  
ued for Present.

(By Leased Wire to Evening Herald.)  
Denver, Colo., May 18.—Assurances  
given by the secretary of war that  
there is no intention immediately of  
removing the federal troops from the  
strike districts in Colorado caused  
great satisfaction among strikers,  
mine owners and state officials today.  
Governor Ammons said it known that  
he is anxious to have the United  
States cavalry guard the strike dis-  
tricts until the state can prepare it-  
self to take care of the situation. This  
has to do with procuring funds  
through the \$1,000,000 bond issue  
provided by the legislature. Of the  
\$1,000,000, however, more than \$600,-  
000 already has been expended.

Governor Ammons' position is that  
even if the federal troops are with-  
drawn he will not send the militia  
back to the coal fields until the pres-  
ence of the militia there is shown to  
be imperative.

### REPORTS COME IN OF MANY HIDDEN RIFLES

Trinidad, Cok., May 18.—Reports  
reached military headquarters here  
today that large numbers of rifles had  
been concealed by the striking coal  
miners in places from which the  
weapons easily could be supplied to  
the various tent colonies. The re-  
ports were denied by Robert G. Hol-  
ton, in charge of strike headquarters.

Military authorities made it plain  
that no search for concealed arms  
would be made without further or-  
ders from the war department. The  
disarmament proceedings are at end,  
so far as measures authorized by or-  
ders already received are concerned.

A complaint was made by strike  
leaders that miners imported to work  
at the Gray Creek mine of the Vic-  
tor-American Fuel Company were being  
hauled to the mine in the wagon  
of a rural mail carrier. An investi-  
gation by the military officers con-  
vinced them that no imported men  
were being put to work.

### PRESIDENT DISPOSED TO LEND ALL POSSIBLE AID

Washington, May 18.—Representa-  
tive Keating of Colorado conferred  
with President Wilson today concern-  
ing conditions in the strike district  
of his state. Although the president  
had advised Governor Ammons that  
federal troops would not be allowed  
to remain indefinitely in the strike  
sections, Mr. Keating said the presi-  
dent was not disposed to withdraw  
the government forces immediately  
and is willing to do everything within  
reason for the preservation of peace  
in the coal region. Mr. Keating ex-  
pressed doubt as to the ability of the  
state militia to maintain order in the  
strike districts after the withdrawal  
of federal troops unless mine owners  
consent to the mediation of disputed  
questions.

Austrian Ambassador Dumba today  
hid before the secretary of state  
and the secretary of war an urgent  
request that federal troops be re-  
tained on duty in the Colorado strike  
district. The request was made at  
the instigation of the Austrian gov-  
ernment on information received from  
their agents in Colorado.

The ambassador declared in his  
opinion there was not sufficient force  
to maintain order if the federal troops  
were withdrawn and that he felt sure  
that trouble would break out again  
as soon as the army was out of the  
state. He stated that Austrian citi-  
zens, who make up a large part of  
the population in Ludlow and other  
strike centers, had been found dead  
and their bodies plundered.

Mr. Dumba stated that the secre-  
tary of war said there was no im-  
mediate intention of removing the troops.  
The Italian ambassador, who repre-  
sents a number of his countrymen in  
Colorado, will make a similar appeal.

### FAMOUS PRINCE ALICE TO SAIL TO FRISCO

## The "Ads" in This Newspaper Are Full of "Cost of Living" News

The "cost of living" is one subject that never loses interest or  
importance. Other subjects wax and wane in interest—this one  
abides. More thought is given to it than to any other subject in the  
world.

The Evening Herald could not long hold your interest, or fully  
serve you, if it did not contain, in every issue, matter directly  
bearing upon this subject. This fact gives to the "ads" of Albuquerque  
merchants their peculiar and especial "news value." For they are, in  
the last analysis, merely up-to-the-hour literature on "the cost of  
living." They afford to the home-maker the opportunity to CUT  
DOWN CERTAIN PHASES OF THE COST OF LIVING, through  
taking advantage of better buying-chances in the stores.

Home-makers who are ad-readers find the "cost of living" sub-  
ject one of INTEREST, rather than one of apprehension and hope-  
lessness. And for these the "ads" in today's Herald are full of sig-  
nificant NEWS.
